

Practice Publication and Scheme Policy

FOI and Publication Scheme

The publication Scheme is required by the Freedom of information Act 2000

The publication Scheme is a complete guide to the information made available to the public by The Pepper Clinics. This is a description of the information about our dental practices which we make publicly available. Some information is not made publically available and this will be reviewed at certain intervals.

How Much does it cost?

The publications are free unless otherwise indicated. Where information is provided at a cost the charges will be calculated as set out in Class 7

How is the information available?

The information within each Class is either displayed on the practice website (www.thepepperclinics.com) or available in hard copy from The Yaxley Dental Clinic, 116 Main Street, Yaxley, Peterborough, PE7 3LP.

Your rights to information

- In addition to accessing the information identified in the Publication Scheme, you are entitled to request information about The Pepper Clinics under the Code of Practice on Openness in the HPSS (1996).
- The Freedom of Information Act 2000 recognises that members of the public have the right to know how public services are organised and run, how much they cost and how the decisions are made.
- From January 1st 2005, it will oblige any of the group within ‘ The Pepper Clinics’ to respond to requests about information that it holds, and is recorded in any format and it will create a right of access to that information. These rights are subject to some exemptions which have to be taken into consideration before deciding what information it can release.
